Your Reviews are Protected

Company reviews are anonymous and **NEVER** attached to any of your future job applications. The reviews **ONLY** include star ratings, the review text that you write, your job title, where you worked and the review date. Please feel free share your honest experience of GHI and invite your coworkers to do the same!

Step 1:

Find our company page on Indeed at <https://www.indeed.com/cmp/Goodwin-House/reviews>. This is where we post our job applications and where you can view the feedback that others have written about Goodwin House.

Select the “review this company” button near the top of the page.

Step 3:

Begin your review by responding to the questions prompted by Indeed. You will be asked to rate your experience from a scale of 1 to 5, with 5 being the best. Some questions use star ratings for their scale. You may skip the questions that are not labeled as required questions (see below). Required questions are marked with a red asterisk.
